

September 11, 2009	No Seminar (Chemistry Faculty Meeting)
September 18, 2009	Prof. John Herbert, The Ohio State University Title: "Excited-state quantum chemistry for macromolecules, with applications to DNA"
September 25, 2009	Prof. Terry Bigioni, University of Toledo Title: TBA
October 2, 2009	No Seminar (Chemistry Faculty Meeting)
October 9, 2009	No Seminar (Chemistry Faculty Meeting)
October 16, 2009	Dr. Man Xu Wright State University Title: TBA
October 23, 2009	Prof. Rebecca Whelan, Oberlin College Title: TBA
October 30, 2009	Brian Brumfield, University of Illinois Title: TBA
November 6, 2009	Angela Campo, Wright State University Title: TBA Timothy Tomashuk, Wright State University Title: TBA
November 13, 2009	Rachel Kingdom, Wright State University Title: Toxicity of the Sea Urchin <i>Toxopneustes pileolus</i> Jennifer Monahan, Wright State University Title: TBA

Seminars are held on Friday afternoons at 3:30 PM in 165 Brehm Laboratory.
For more information, contact Dr. David Dolson at (937) 775-2028 or 775-2855 (department office).
Come a few minutes early for light refreshments and informal conversation.
